Clarity Funerals & Cremation is committed to providing our community with thoughtful and creative services and maintaining the highest standards of ethical conduct and environmental stewardship. It is our honor to serve the families of Southern California with selections and services that speak to the sensibilities of our community.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of the funeral director, staff, and overhead: \$500.00

This fee for our basic services will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains. This fee includes the following:

- Personnel available 24 hours a day, 365 days a year to respond to the initial call
- Arrangement Conference
- Coordinating service plans with the cemetery, crematory, and/or other parties involved in the final disposition of the decedent
- Clerical assistance in the completion of various forms and permits associated with a funeral.
- Overhead, included facility maintenance, equipment and inventory costs, insurance and administration expenses, and governmental compliance.
- Carbon offsets to ensure that all services are carbon neutral.

Clarity believes in the transparency of pricing and the simplicity of arranging services. The itemized prices are used to create all our service packages as well as services and merchandise that are available to your family in the arrangement process. Because we're in the profession of honoring lives lived, we aim to create customized services for your family, so if there is something you want that you don't see, please just ask.

Natural Organic Reduction

Natural Organic Reduction, also known as terramation, utilizes the body's own naturally occurring microbes to gently transform remains into nutrient-rich soil. The process is conducted in individual vessels and takes 60-90 days to complete. The resulting soil can then be returned home to be placed in cemeteries, gardens, house plants, memorial trees, or donated to a Woodland property in Kent, WA to aid in the restoration and rejuvenation of a Washington forest.

**Price includes basic services of the funeral director and staff; transfer of remains to the funeral home; refrigeration (up to X days); bathing and dressing in a compostable garment; transfer of remains to the Natural Organic Reduction facility; and the Natural Organic Reduction fee.*

Prices Terramation Essentials:\$6,950

Includes Basic Service Fee and all essential services:

- Transfer of Remains to Funeral Home
- Preparation, care, and handling of Remains
- One hour viewing in our mock vessel
- Transportation to a common carrier and coordination with Return Home for transport to Seattle.
- Disposition of Remains into compost through the process of Terramation (Natural Organic Reduction)
- Packaging and Pickup of Soil at the Facility
- Includes Air Tray for transportation
- Airline (common carrier) fees and destination funeral charges are not included
- Can only ship soil within the United States (additional charges apply)

About Return Home

Return Home transforms human remains into rich, fertile soil through a service called Terramation. They help gently return our deceased to the earth so that new life may be created, just as nature intended.

Terramation is an earth-friendly natural alternative to environmentally damaging burial and cremation methods. Terramation reduces environmental contamination, nourishes the soil, preserves and restores land, and reduces relative carbon emissions. Return Home is a mission-driven company with an absolute commitment to sustainability, respect, simplicity, and affordability. We exist to serve those who care about the future of our planet and seek a natural ending for themselves—a return to the earth from which they came.
